Subject: Complaint regarding house-breaking and theft of a laptop, jewellery and a two-wheeler from my residence on the night of 20 to 21 September 2026

Respected Sir,

I, the above-named complainant, respectfully submit as follows:

1. I reside with my wife and our six-year-old son in the above flat, which is on the third floor of a gated apartment complex with a single security guard at the main gate. On 20 September 2026 at about 7:30 p.m., we locked the flat and left for my sister's house in Whitefield to attend a family function, and stayed there overnight.
2. On 21 September 2026 at about 9:15 a.m., our neighbour in Flat No. 303, Mrs. Shalini, called me and informed me that the main door of our flat was open. I returned immediately and found that the latch of the main door had been broken with some tool, and the door was partly open. The bedroom cupboard had been forced open and our belongings were scattered on the floor.
3. On checking, I found that the following articles were missing: (a) one Dell Latitude laptop, silver colour, serial number DL-0000-SPEC, purchased in 2025 for about Rs. 85,000, containing my office work; (b) one gold chain of about 20 grams and one pair of gold earrings of about 6 grams belonging to my wife, together worth about Rs. 1,60,000; (c) cash of Rs. 18,000 kept in the cupboard; and (d) my Honda Activa scooter, grey colour, registration number KA-03-XX-0000 (specimen), which was parked in the basement parking, together with its key, which had been kept on the key hook inside the flat. The total value of the stolen property is approximately Rs. 2,98,000.
4. The security guard, Mr. Ramesh, told me that at about 2:00 a.m. he saw a man in a black jacket and helmet riding a grey scooter out of the basement gate, but did not stop him because he assumed the man was a resident. The complex has a CCTV camera at the main gate, and the footage for that night may be available with the apartment association.
5. I suspect that the person or persons responsible broke into my flat by breaking the door

latch during the night of 20 to 21 September 2026 while we were away, stole the above articles from inside the house, and took away my scooter using the key found inside. I have not touched the broken latch or the cupboard so that the scene can be examined.

6. I therefore request you to kindly register a First Information Report against the unknown accused under the appropriate provisions of the Bharatiya Nyaya Sanhita, 2023, including Section 303 (theft), Section 305 (theft in a dwelling house, etc.) and Section 331 (punishment for house-trespass or house-breaking), investigate the matter, secure the CCTV footage, and recover the stolen property. I also request a copy of the FIR free of cost, and an acknowledgement of this complaint.

I declare that the facts stated above are true to the best of my knowledge and belief.

Yours faithfully,

(Rahul Menon)

Enclosures: 1. Copy of laptop purchase invoice. 2. Copy of scooter registration certificate. 3. Photographs of the broken door latch and cupboard.
